Whether you're into football or the Olympics there is always something to celebrate – so come and join us for an afternoon of celebration and fun for all ages including a bouncy castle for the younger children!

Delicious refreshments including hot dogs and a variety of homemade cakes served with tea, coffee or soft drinks. There will be time to relax and catch up with friends and neighbours.

Claire will be leading the North London Singers in a variety of songs including some to sing along to,  
Plus of course a brass band.
